# Fallen Angels

By: Walter Dean Myers

*We few, we happy few, we band  
of brothers;  
For he today that sheds his  
blood with me  
Shall be my brother...*

Fallen Angels Book By Walter Dean Myers ->>->>->>

This book made me not want to stop reading until I had completely finished Tyler Pearlman More than 1 year ago this book follows richard perry through his time in the vietnamese jungles it is not however only about war but also about; Friendship, Loss, Fear and Bravery I could never do half of what Perry and Peewee did when they were in Vietnam, and even though Perry is a fictional character I came to really admire his courage and strength throughout the book This book will keep you on your toes and pray for the main character Influence of author's military experience on its writing [edit] v t e See guidelines for writing about novels I learn about soldiers' experiences during the war it is very realistic, not a "James Bond" type of violence, and the soldiers' reaction to it is very realistic Perry soon learns of the horrors of war, and faces many Vietcong along the rice fields, and many dead comrades All of the characters became close, as they had to, the guy next to them could very well save their life on the battlefield Richie believes he should join the army so he can escape his future, which he does, he joins the army Although Myers was never in the Vietnam War, he has a strong connection with it; his brother died there

Perry is from the rough parts of Harlem Maybe that's a good thing, but I just kept expecting it to play into the plot somehow (like with the squad fragging the racist Sgt) That night, Richie, Peewee, and Jenkins go on night patrol with their squad Further in the story Perry realizes that things are not what they seem that the blacks have the most assignments to do in the war and not the whites, well the more dangerous ones to be exact There is much vulgarity and crude images that depict the realities of the Vietnam War, very similar to the films of Full Metal Jacket and other Vietnam War classics But I didis one of the most celebrated figures of the twentieth (Radioactivebookreviews.wordpress.com) .more flag 1 like Like see review It gives you a sigh of relief that the enemy is not the something else View Product [ x ] close I've Seen the Promised Land: The Life of Dr Well as said by the main character in the book, Richie Perry Fallen Angels perfectly captures the reason why Other editions - View all Fallen Angels Walter Dean Myers Snippet view - 1988 Fallen Angels Walter Dean Myers No preview available - 2008 Fallen Angels Walter Dean Myers No preview available - 2008 View all Good if you like that sort of thing Aug 13, 2010 rachel rated it it was amazing review of another edition Shelves: own, 2006-and-prior, kid-lit, re-read, this-is-america, 2012, black-lit In the past four months, I've changed jobs, been forced to move out of my apartment back in with my parents temporarily, and begun the arduous task of DIYing a long neglected house into a livable space without, y'know, electrical wires dangling into the sink and cracked wood-paneled walls This quote makes me think of the soldier's emotions and how they feel during pre-combat and after Once I started rolling on it, I finished it in a few hours d53ff467a2
